- ◆ Understand when it is important and not important to use the skill
- ◆ Apply the Clinical Supervision process to observe and analyze lessons, and to conference effectively with the teacher

## **Target Audience:**

Site or district level administrators

## **Cost:**

\$1,200 for six sessions

## **INSTRUCTIONAL LEARNING WORKSHOPS & CLINICAL SUPERVISION** *in the Essential Elements of Instruction*

The San Marcos Unified School District is pleased to offer a series of Instructional Learning Workshops and Clinical Supervision for aspiring and current administrators during the 2010-2011 school year. Six training sessions will be held at Richland Elementary School, the Professional Development Campus in the SMUSD.

Participants will have the opportunity to refine and extend their skills in using research-based instructional practices that can be applied to all grades, subject areas and settings. Additionally, participants will learn the clinical supervision process to observe and analyze a lesson, and to conference with the teacher to reinforce and refine their instructional practice.

## **Registration on the SMUSD Website:**
